## Key to Word Lists:

1. 500 most common words are starred and in **\*bold**. These are good basic vocabulary words for yellow cards.
2. Underlined words are irregular; for yellow cards.
3. (Words in parentheses) are for more advanced learners.  
Use your judgment whether the word is appropriate and useful.
4. Words in pairs separated by a hyphen are suggestions for reading practice because they highlight a rule (example: bit – bite).
